FREEDOM TO QUEEF AGENCY
FTQAGENCY.COM

This card is a satire of the website "Freedom to breathe Agency" which is handing out a "**FACE MASK EXEMPT CARD**". The cards claim the holder has an ADA exemption and threatens fines for "Violations". The group that created the card also stole the logo for the department of justice in an attempt to bring authority to the card (it appears they have now removed the stolen logo). This card IS complete bullshit and should be ignored. They are also asking for people to report any "violations" to their e-mail address: ftbaagency@gmail.com, i have reported feeling violated when i queef... i hope you feel free to also share your "violations" I thought one bullshit card deserved another bullshit card. Enjoy.....
